

CALIFORNIA'S CONSTITUTION

PEOPLE.ACTION.DEMOCRACY.
www.commoncause.org/ca

Is California ready for a new constitution? Instead of amending it piecemeal, is it time to call a Constitutional Convention? What do the proposals for a Constitutional Convention look like?

- ✓ Who would be the delegates?
- ✓ Which issues would be discussed?
- ✓ How do we get people with expertise who would also work for the citizens' best interests?
- ✓ How have other states rewritten their constitutions?
- ✓ Initiative, referendum and recall - Should we keep, amend or throw them out?
- ✓ What are the alternatives?

All of these questions and more will be discussed as San Diego Common Cause joins with RepairCalifornia to present Part II of "California's Constitution: Time for an Overhaul?"
