

**COMMUNITY FORUM  
SAN DIEGO COUNTY LEAGUE OF WOMEN VOTERS**

**Thursday November 29,  
Westfield University Town Center Forum Hall  
4545 La Jolla Village Drive  
7:00 PM**

The United States League of Women Voters is engaged in a two-year Immigration Study to understand the implications of immigration at the local, state and federal levels. We are educating ourselves and our community on this complex and controversial issue. LWV has no position on immigration at this time.

- We are the third most populous nation in the world behind India and China
- We add roughly 3.3 million people a year (much of it from immigration) or 33 million per decade, nearly 100 million every thirty years
- We are heading toward a population of one billion
- We need to consider expanding population and population policy in the immigration discussion
